FAIR HOUSING STATEMENT

Our community is committed to compliance with all Federal, State and Local fair housing laws. The Southwind staff has a legal obligation to treat each individual in a consistent manner. Please do not request any exceptions to our written policies. Our policies are designed to provide for consistent and fair treatment of all residents in the spirit of these laws.

- Be responsible for the actions of your family members and guests.
- Be considerate of your neighbors at all times and help us maintain a quiet, clean community environment.
- Inform the management office of any irregular actions or activities.

In addition:

- Lock changes or extra locks are not permitted.
- Please report burned out light bulbs in hallways or stairways to the management office.

- No solicitation or distribution of materials is permitted in our buildings. Contact the management office if you are disturbed by any such person and we will do our best to discourage future visits.

APPLIANCES

If an appliance stops working, first check the circuit breaker to see if it has been tripped. Next, check the electrical cord to ensure that it is firmly plugged into the wall socket. If these appear to be in order, please refer to the operating manual for more specific information on all appliances in your apartment.

Garbage Disposals. Please remember to run cold water before starting your disposal. To help keep your disposal in good working condition, do not grind bones, rinds or stringy foods and NEVER pour coffee grounds down your disposal. If your disposal should stop, press the “reset” button on the outside of the disposal. If this does not resolve the problem, call the management office.

Dishwasher. Use only detergents designed for automatic dishwashers. Before you add detergent, make sure the dial is in the “off” position. Always run your dishwasher at least once a week to prevent the seals and hoses from cracking.

BALCONIES / PATIOS

Barbecuing is not allowed on your balcony / patio. However, in accordance with the City of Lake Geneva Fire Ordinance, all grills must be equipped with a cover and a solid base and must be used no less than ten (10) feet away from the building. Open grilling is not permitted. Any damages or fees resulting from your barbecuing will be your sole responsibility.

Balconies and patios are never to be used as storage areas. Balconies are to be occupied by no more than four persons at any one time. Patio furniture specifically designed for outdoor use and maintained in an acceptable manner is permitted. Towels, clothing, sheets, blankets, etc., are not to be hung or dried on balconies or patios.

We ask that you refrain from placing bird feeders on your balconies. Birds can be a nuisance to the residents below you. By discouraging their presence, we can avoid the mess that they make and prevent them from building nests in our roof vents.

CARPET CARE

Various chemicals have been found that can permanently stain your carpet. These stains cannot be removed and the carpeting will need to be replaced. Following is a list of some of these chemicals:

- Acne medications that contain benzoyl will destroy most carpet dye. These spots begin as orange and turn to yellow.
- Bleaches and chlorine (sodium hypochlorite and oxygen bleach) will cause bleaching of the carpet.
- Dimethylsulfoxide, DMSO, used for muscular aches, causes color loss.
- Plant foods contain oxidation spots.
- Drain cleaners (sodium hydroxide) cause staining.

The following items have been found to cause permanent stains:

- Citric acid based drinks
- Coffee and Tea
- Fruit based soft drinks
- Hawaiian Punch

- Mustard

Continuous exposure to the sun's rays can cause your carpet to fade. Please close your blinds periodically to avoid this. The carpeting in your apartment has a 5-year warranty. By following the above guidelines, you can avoid replacement charges upon your move-out.

The last page of this Handbook contains the information we have listed above. Please sign where indicated and return the completed form to our office.

THERE IS “NO SMOKING” ALLOWED AT ANY TIME IN THE COMMON AREAS OF SOUTHWIND PRAIRIE APARTMENTS.

SMOKE DETECTORS

In accordance with the State of Wisconsin, each apartment is equipped with a smoke detector. The smoke detectors will sound any time there is excess smoke in your apartment. If the smoke is from cooking and no fire is present, open the patio door until the smoke dissipates. Do not open your entry door, this will cause the building’s smoke detector to activate. Tampering with or the removal of smoke detectors is a Class “A” misdemeanor for the first offense and a Class “4” felony for subsequent convictions.

During your move-in inspection, it was verified that the smoke alarm in your apartment was in proper operating condition. It is your responsibility to check them weekly and immediately report any malfunctions to the management office.

You must also change the batteries as needed. The fire department suggests using the spring and fall time changes as a guideline for replacing batteries.

In the event of an actual fire, report the fire immediately to the Lake Geneva Fire Department. Your apartment smoke detector is not wired directly to the fire department, you must make the call. Do not assume that someone else has called. If you do experience a fire, the management office must be informed.

SMOKE ALARM TESTING PROCEDURES

Test smoke alarm **weekly** by doing the following:

1. Observe the green LED. A constant green light indicated the smoke alarm is receiving 120V AC power.
2. Firmly depress the Push to Test button for at least five seconds. The smoke alarm will sound a loud beep about four times a second. The alarm will sound 2 short reduced volume beeps, then 1 short loud beep followed by a pause, then the pattern repeats. The alarm may sound for up to 10 seconds after releasing the Push to Test button.

If smoke alarm does not sound, contact the management office.

CHANGING THE BATTERY IN YOUR SMOKE ALARM

Always turn off power to smoke alarm before replacing battery. Replace battery at least **once a year, or immediately when the low battery signal sounds (a chirp once per minute indicates low battery)**. The red LED will blink 4 times per minute after each low battery chirp. Use only the following batteries as replacements in this smoke alarm: Eveready 522 or 1222, Duracell MN 1604, or Ultra-life U9VL-J. Turn smoke detector counter clockwise to remove. Flip over smoke alarm and lift tab to open battery door. Replace battery and replace smoke alarm by twisting clockwise onto mounting plate.

SNOW REMOVAL

We need everyone’s cooperation to help keep the parking lots safe and clear whenever it snows. If you would park or move your vehicle(s) to an area that has been cleared, it would allow us to clear the parking areas closest to the sidewalks and prevent you from being snowed in. Please allow enough room between your vehicle and the sidewalk to avoid damage to your vehicle. After this has been done, you may move your vehicle back. If you have any questions regarding which side to park on, please call our office.

SUGGESTIONS / PROBLEMS

We welcome your suggestions and will try to correct any complaints you may have. Complaints about the services delivered by the management and / or maintenance personnel, should be in writing and signed. You may bring them to our office or submit via U.S. mail or fax.

We ask that if you encounter any problems, such as loud parties or vandalism, and police assistance is required, you also notify the management office so that we might be able to guard against them in the future. Stereos, radios, televisions and other electronic equipment must be kept at minimum levels so that your neighbors are not disturbed.

Your assistance is needed to make this an enjoyable facility. The following rules and regulations are for the protection and benefit of all to assure safe and sanitary operations of the pool and the pool areas. Failure to comply with these pool rules and regulations shall be considered sufficient cause by the management to suspend any or all pool privileges.

Each resident and guest will be required to present their pool pass and to sign in at the registration table when entering the pool area. We reserve the right to request identification. Parents are requested to educate their children on the pool rules and regulations. When using the pool, we request all residents, their children and guests be thoughtful of others and mindful of unnecessary noise, the appearance and cleanliness of the pool, the sun deck and the good name of our community.

The use of the pool and the pool areas by residents, their families and their guests, is at their own risk and neither the Lessor, the Lessor's agent or employees of Southwind Prairie Apartments are liable for any injury or death relating to the use of the swimming pool or the pool areas.

The Southwind Prairie swimming pool is for the exclusive use of our residents and their guests. Each apartment is allowed two guests at any one time. Resident(s) must accompany their guest(s). Telephone outlets are installed in all apartments. If you need additional outlets, you will need to obtain written permission from the management office. We encourage all residents to secure their own inside wire maintenance on their phone lines. Remember to provide the management office with your phone number when you move in and again if it should change while residing in our community. Your number will not be given out, but is necessary for emergencies and service request confirmations.

CARPET ADVISORY

Various chemicals have been found to permanently stain your carpet. These stains cannot be removed and the carpeting will need to be replaced. Following is a list of some of these chemicals:

Acid and toilet bowl cleaners will dissolve the nylon.

Acne medications containing benzoyl will destroy most carpet dye. These spots begin as orange and turn yellow.

Bleaches and chlorine (sodium hypochlorite and oxygen bleach) will cause bleaching.

Dimethylsulfoxide, DMSO, used for muscular aches, causes color loss.

Plant foods cause oxidation spots and Drain cleaners (sodium hydroxide) cause staining.

The following items have been found to cause permanent stains:

- Citric acid based drinks
- Fruit based soft drinks
- Jell-O / Jell-O brand popsicles
- Shoe polish
- Kool-Aid
- Mustard
- Popsicles
- Other foods containing food coloring
- Coffee and Tea
- Tang breakfast drinks
- Hawaiian Punch

You are responsible for the maintenance of your carpet. Including vacuuming, shampooing as needed. Continuous exposure to the sun's rays can cause your carpet to fade. Please close your blinds periodically to avoid this. The carpeting in your apartment has a 5-year warranty. By following the above guidelines, you can avoid replacement charges upon your move-out.

I HAVE READ THIS CARPET ADVISORY AND UNDERSTAND MY RESPONSIBILITY IN MAINTAINING THE CARPET IN MY UNIT.
